FY17	Art & Art History	Annual maintenance costs, software, and replacement of technology	$227,354.00
FY17	Art & Art History	Printmaking scanner and printer	$24,609.00
FY17	Biology	Mobile computer lab upgrades	$128,834.65
FY17	Biology	One acquisition unit and accessories to perform physiological experiments on humans in Human Biology laboratories the mobile computer lab upgrades	$3,640.00

Year	Department	Project Description	Allocation
FY17	Biology	Classroom refresh of Neurobiology and Evolution laboratory classrooms (113BB, 117BB) and classroom refresh of 401BBE	$53,786.84
FY17	Cinematic Arts	Digital labs and labor	$93,774.00
FY17	Cinematic Arts	Multi-year award for funds to provide the equipment necessary to implement the addition of a fifth section of CINE:1834	$9,190.00
FY17	Communication Sciences & Disorders	Updgrade classroom technology	$29,249.50
FY17	Communication Studies	Renew the concurrent SPSS and AMOS licenses	$2,840.00
FY17	Dance	Student wages for student worker(s)	$7,200.00
FY17	Earth and Environmental Sciences	Ten iPad Air 2 tablets with All-Terrain Cases and software for field mapping	$19,997.50
FY17	English	Update and expand electronic presentation equipment in 304 EPB	$27,316.08
FY17	English	Upgrade the audio- and video-editing software	$5,565.00
FY17	Geographical and Sustainability Sciences	Multi-year award for maintaining and enhancing Geography's technology infrastructure (GISIL Lab)	$28,297.00
FY17	Journalism & Mass Communications	Replacement and additional equipment to accommodate student growth	$105,555.83
FY17	Language Media Center	Replace Language Media Center (LMC) computer equipment for media collection cataloguing and circulation	$4,254.00
FY17	Language Media Center	Replace the instructor computer components of the LMC digital audio lab in 17 Phillips Hall and of the digital audio lab in 120 Phillips Hall	$3,924.72
FY17	Music	Refresh the current digital keyboard lab as the School of Music moves into its new facility	$60,232.97
FY17	Music	Purchase 24 replacement MIDI keyboard controllers	$4,056.00

Year	Department	Project Description	Allocation
FY17	Music	Multi-year award for SmartMusic Software for Musicianship	$3,696.00
FY17	Music	Multi-year award for hardware and software necessary to equip practice rooms	$13,464.58
FY17	Music	Laptop Orchestra upgrades	$8,639.30
FY17	Performing Arts, Div of	Renew PAPU software	$16,790.00
FY17	Physics and Astronomy	Enhanced imaging camera	$40,300.00
FY17	Physics and Astronomy	Mobile video conferencing cart	$1,199.00
FY17	Production Unit	Refresh video and sound recording equipment, and computer editing hardware and software in specified SJMC digital classrooms and labs	$46,598.79
FY17	Rhetoric	Replacement of six computers for instruction, and installation of a digital sign	$8,188.20
FY17	Rhetoric	Equipment circulation and in-person tutoring to support New Media assignments	$10,596.00
FY17	Social Work	Purchase of a Polycom CX5100 Unified Conference Station	$5,345.00
FY17	Social Work	Replace 18 instructional computers in departmental Computer Lab 206 North Hall	$19.061.30
FY17	Social Work	Larger and more versatile podium/desk set with a new printer for the Student Computer Lab in 206-1 North Hall	$2,059.00
FY17	Social Work	Larger podium for Classroom 301 North Hall	$1,150.00
FY17	Sociology	Software licenses	$4,408.00
FY18	Art & Art History	Technology maintenance that includes software licenses, equipment maintenance, printer replacement and classroom updates	$84,601.00
FY18	Biology	Bioinformatics computational resources, BB132 classroom refresh, and BB113 & 117 classroom instrumentation	$72,903.41
FY18	Chemistry	Refresh of computer resources in instructional labs	$121,310.41

Year	Department	Project Description	Allocation
FY18	Chemistry	Equip instructors of large and medium-sized lecture classes with three Microsoft Surface laptop computers	$4,364.34
FY18	Cinematic Arts	Enhance digital equipment	$193,387.66
FY18	Communication Sciences and Disorders	Upgrade hardware/software for two smartboards, add a network jack to room 329, install SSD drives, install LanSchool classroom management, and purchase equipment to record auditory evoked responses and otoacoustic emissions	$34,613.00
FY18	Communication Studies	Renew the concurrent SPSS and AMOS licenses for computer labs	$8,840.00
FY18	Dance	Classroom technology system including sound and flat screen display for Halsey Hall room HHE103	$9,584.00
FY18	Dance	Multi-year award for a student videographer	$31,160.00
FY18	Earth and Environmental Sciences	Refresh 47 PC computers purchased in 2011-2013 and 4 refreshed LED projectors purchased in 2011	$57,126.29
FY18	Geographical and Sustainability Sciences	Multi-year award to maintain and add GISIL technology	$16,675.00
FY18	Health and Human Physiology	Update laboratory data collection equipment for HHP:1310 Human Physiology Lab	$23,710.00
FY18	Journalism & Mass Communication	AJB W336 digital classroom equipment, mobile iPad production kits, mobile video reporting kit, and digital camera lenses for photojournalism	$88,652.17
FY18	Language Media Center	Multi-year award to fund yearly allocation support for four years to fund the software maintenance for the two Language Media Center (LMC) Digital Audio Laboratories (audio labs) located in Phillips Hall (PH) 120 and 17	$5,595.00

Year	Department	Project Description	Allocation
FY18	Language Media Center	Revitalize and add to existing Language Media Center (LMC) technology focusing the One Button Studio (OBS) and the media viewing stations	$6,905.00
